Continuing Pharmacy Education Credit

The American College of Clinical Pharmacy and the American Society of Health-System Pharmacists are accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. The Universal Activity Numbers (UAN) for the 2023 ACCP/ASHP Ambulatory Care Pharmacy Preparatory Review and Recertification Course are listed above in the schedule.

The American Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education with Commendation.

All continuing pharmacy education activities associated with the Ambulatory Care Pharmacy Preparatory Review and Recertification Course are application-based activities. To receive continuing pharmacy education credit, the Web-based posttest must be submitted on either’s ACCP or ASHP’s website within 60 days of the activity. Please note, if you registered for the course with ACCP you may only claim your CPE through the ACCP website (www.accp.com/cpe), if you registered for the course with ASHP you may only claim your CPE through the ASHP website.

BCACP Recertification Credit
To earn BCACP recertification credit for the home study version of the course, you must purchase 2024 ACCP/ASHP Ambulatory Care Pharmacy Preparatory Review and Recertification Course, for BCACP recertification credit and successfully complete and submit the Web-based posttest associated with each module within the course by April 29, 2025. If recertification credit is earned for this course, BCACP recertification credit will be awarded to participants immediately.

Please note, the posttests for this course will not be available until May 1, 2024.
