Accreditation for Pharmacists

The American College of Clinical Pharmacy (ACCP) and the American Society of Health-System Pharmacists (ASHP) are accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Target Audience

This activity is intended for Board Certified Oncology Pharmacy Specialists in need of recertification credit.

Activity Overview

This course is intended for BCOPs in need of recertification credit and is designed based on the content outline developed by the Board of Pharmacy Specialties (BPS) to provide an overview of recent standards and guidelines that specialists should be familiar with in practice.

This online activity is approved for 1.5 hours of continuing pharmacy education credit and/or recertification credit.

Recertification Credit*

Board certified pharmacists are eligible to receive up to 1.5 hours of recertification credit for completing this webinar. To earn recertification credit, learners must review the course content and successfully complete the online assessments by the deadline. Only completed assessments will be eligible for credit; no partial or incomplete assessments will be processed. You are allowed only one attempt to successfully complete this assessment.

This webinar is not intended for those preparing to take the BPS Oncology Pharmacy Specialty Examination for Certification. To prepare for the examination, please see courses here: <http://elearning.ashp.org/catalog/onc-review>.

These activities are part of the ACCP and ASHP professional development program for BCOP recertification approved by the BPS.

Disclosures

In accordance with the Accreditation Council for Continuing Medical Education's Standards for Commercial Support and the Accreditation Council for Pharmacy Education's Standards for Commercial Support, ACCP and ASHP requires that all individuals involved in the development of activity content disclose their relevant financial relationships. A person has a relevant financial relationship if the individual or his or her spouse/partner has a financial relationship (e.g. employee, consultant, research grant recipient, speakers bureau, or stockholder) in any amount occurring in the last 12 months with a commercial interest whose products or services may be discussed in the educational activity content over which the individual has control. The existence of these relationships is provided for the information of participants and should not be assumed to have an adverse impact on the content.

All faculty and planners for ACCP and ASHP education activities are qualified and selected by ACCP and ASHP and required to disclose any relevant financial relationships with commercial interests. ACCP and ASHP identify and resolve conflicts of interest prior to an individual's participation in development of content for an educational activity. Anyone who refuses to disclose relevant financial relationships must be disqualified from any involvement with a continuing pharmacy education activity.

- Jason Ernstberger: speaker's bureau for Sanofi.

All planners, presenters, and reviewers of this session report no financial relationships relevant to this activity.
